CRIMSON Driveway Cleaner

GENERAL DESCRIPTION:

Crimson Driveway Cleaner is designed as a caustic soda cleaner for the removal of dirt, oil, and stains on concrete surfaces. This product can be used with most pressure washing equipment. It will restore the original look of the applied concrete, brick, aggregate, and asphalt surface.

APPLICATIONS:

- ◆ Cleans hard to remove dirt, oil and other stains
- ◆ Works on your driveway or concrete surfaces
- ◆ Concentrated formula makes up to 20 gallons
- ◆ Removes stains from asphalt, brick, concrete and paving stone
- ◆ Use with pressure washing equipment for thorough cleaning

PHYSICAL PROPERTIES:

- ◆ Appearance: clear to slightly hazy liquid
- ◆ Odor: very faint
- ◆ Solubility in water: soluble in any proportion
- ◆ Boiling Point: 100°C
- ◆ pH: 13-14

HANDLING & STORAGE:

Handling: Put on appropriate personal protective equipment. Do not get in eyes or on skin or clothing. Do not breathe vapor or mist. Do not ingest. If during normal use the material presents a respiratory hazard, use only with adequate ventilation or wear appropriate respirator

Storage: Keep in the original container or an approved alternative made from a compatible material, kept tightly closed when not in use. Empty containers retain product residue and can be hazardous. Do not reuse container. Store in accordance with local regulations. Store in original container protected from direct sunlight in a dry, cool and well-ventilated area, away from incompatible materials and food and drink. Keep container tightly closed and sealed until ready for use. Containers that have been opened must be carefully resealed and kept upright to prevent leakage. Keep out of the reach of children.
